

Statement on the passing of Congressman Alcee Hastings

April 7, 2021

America's farmers, ranchers, food consumers and especially Congressman Alcee Hastings' constituents are saddened to learn of his passing. He joyously fought for fairness in food and nutrition policy and knew how important our rural communities are when it comes to ensuring that suburban and urban communities have access to sustainably produced and reliable food supplies. He was a champion for everyone, and the Florida Sugar Cane League extends its sympathies to his family, friends and staff.
